**Now selling  
at M738.00  
with printing**

**Remove header board aluminium poles by loosening metal nuts & screws under the table top. Unlock the latches to remove table top.**

**Simply unhook wooden shelf from aluminium profiles. Un-latch wooden base from base of counter.**

**Flip the counter to other side.  
Place counter on top of base and latch to lock.  
Hook wooden shelf on aluminium profiles on sides. Sit table top on top of counter and insert aluminium poles onto holes on table top and secure with tightening metal nuts and screw under table top.**
